

Search exercise

Fill out the following table with programs you are interested in. Find program information in the [Search](#) section on EducationPlannerBC's website.

	Choice # 1	Choice # 2
Program name		
Which institution offers the program?		
List some of the program admission requirements.		
Length of program: (ex: how many months, years, courses, or credits?)		
What is the program credential level? (ex: certificate, diploma, or degree)		
Where is the campus located?		
When does this program start? Check all available.	Fall (September) Winter (January) Summer (May) Other	Fall (September) Winter (January) Summer (May) Other
What are the application dates? (Find specific dates and deadlines on the institution's website)		
What is the application fee?		

Tips & reminders

- Take your time. Searching for programs and choosing an institution may take longer than you expect!
- Create an EducationPlannerBC account to use My List where you can save and compare programs.
- Use the "Admission Requirements" tab while viewing a program profile in Search to help you figure out what Grade 11/12 courses are required.
- Visit our "Financial Resources" page in Plan to learn about the costs of post-secondary and options for financial aid.
- Most institutions open applications by October 1st. Be mindful of deadlines. Programs may have different open and close dates for admissions. Early applications are encouraged!
